A Message from Dr. Linda Backman:

Join Earl and me, with a small like-minded group of folks, to explore the cultural diversity and wildlife world of South Africa, May 10-23, 2020. We're powerfully excited to share our first visit to this land with you! I KNOW this is a trip of a LIFETIME.

Cain Travel-Boulder & Giltedge Africa will coordinate our amazing journey where we'll experience:

- Cape Town: Robben Island and Cape of Good Hope
- Zulu Culture and a Native Healer in Durban
- Safari in a Big Five Game Reserve
- Sabi Sabi Game Reserve with Cheetahs, Giraffes, Zebras and More
- Johannesburg: Mandela's Soweto and Cradle of Humankind Tour

Our itinerary is being finalized (along with pricing, hotels, and transportation in the country) and will soon be available. This will be a land package only tour - however, if you wish Cain Travel to assist you with international travel options, they will be pleased to accommodate your needs. If you are interested in receiving more information when available, please write to Earl@RavenHeartCenter.com. This will be a small group tour, with limited space.
