

## Egypt Spiritual Journey: Opening Evolution Portals

Dr. Linda Backman & Tracey Ash

February 24 - March 7, 2025

A profoundly life-changing & transformational tour to Egypt, at a mindful pace.

Experienced Souls have agreed to be active participants in the transformation of war, hate, and greed. Your Soul has sought expansion and wisdom through innumerable lives both on Earth and in the vast celestial realm. With your spiritual guides, agreements and contracts have been created for you to embody on Earth as you balance human karma to be of service to Humanity.

Has your soul evolved primarily on Earth or somewhere Interplanetary or in the Angelic Realm? What commitments have you made in life today to guide Humanity to not excuse or confuse, but to evolve and seek healing of human frailty via free will? ~ Dr. Linda Backman

Dear Friends,

Below you will find preliminary tour details, as well as reviews of our 2024 tour, which was a phenomenal time together.

Please contact [Earl@RavenHeartCenter.com](mailto:Earl@RavenHeartCenter.com) or call 303-818-0575 to let us know if you are interested in details about joining our tour of up to 25 people. Our 2025 Egyptian Tour is intended to aid each of our travelers to work together to support the needs of the planet to continue advancing. You are in store for a life changing journey as we deepen our own commitment to “be of service” and evolve Humanity in Egypt 2025.

We have once again designed a tour which focuses on understanding the depth of Egyptian culture, ancient history, spirituality, and the many contributions this early civilization intended, and continues to do so, to evolve Humanity at this current time. It is not designed to maximize how much you can see and do in a short amount of time, but rather to understand the spiritual nature of Egypt, its past, and how it helps us to comprehend who we are as “souls having a human experience.” In simple terms, the overall intention of our 2025 Egypt Tour is to advance your soul and that of Humanity. Please read the attached information to learn the preliminary details of this life-changing Egypt Journey.

Tour registrants will also have the opportunity to schedule a private reading with Tracey Ash and/or a private Between Lives Soul Regression with myself, as well as a channeling with Earl, at an additional fee to aid your own soul awareness before the Egypt Tour. You can reserve a room in advance in Luxor before the tour begins or in Cairo after the tour (on a space available basis), should you wish to arrive early or stay later than our tour dates. Let us know at [Earl@RavenHeartCenter.com](mailto:Earl@RavenHeartCenter.com) or 303-818-0575 if you are interested in arriving early or staying later, and we will advise you.

Please watch [the 2024 video with Ash and myself](#) to gain a broader insight into our Egypt Spiritual Tour.

Thank you again for your enthusiastic interest in our 2024 Egyptian Tour Experience. We look forward to sharing this amazing experience with many of you in 2025.

“Egypt, with ancient temples and tombs, is a vessel of wisdom and transformative energy. In 2023, when Earl and I, with Tracey Ash and Mohamed Sayed, were putting the elements of our Egypt Spiritual Journey in place, I had no clear sense of why traveling and leading a group to Egypt was essential.

Egypt is magical and a potent container to do your individual evolutionary work to advance your soul agreements in life today.

As we expand our work in the body, we automatically contribute to humanity’s great need to function peacefully for all living beings. Our Higher Selves are inextricably connected to our human selves. Thus, “As above, So below” and “As below, So above” we evolve.

Travel to Egypt in community is enlightening, transformational, and exciting.

With Tracey Ash, Mohamed Sayed, my husband Earl and myself, and your fellow group members you have the opportunity of this life to tap into the wisdom of ancient Egypt, the most advanced early civilization on Earth.

Join us as we tour sacred sites and come together in deep personal work to transmute and renew ourselves and all people.”

“I focus on the unique merging of history and consciousness built in all advanced civilisations. What we discover in Egypt is a science of evolution that serves to progress humanity and earth. This spiritual journey calls conscious individuals and organisations. I live in Egypt.

On the celestial observatory and gateway to The Great Central Sun, the ancient ones mapped the skies and heavens across cycles of time and themes of destiny playing forever until the peace. Our mythical evolution is enshrined in the temples and monuments for eternity. This is the truth and journey of soul.

The spiritual journey of these times is deepest within. Why spiritual pilgrimage is so vital for inner and collective healing. Where is apathy driving evolution backwards? Where is the intelligence that excuses and confuses? Where are the stories that only talk of change? Where is the wound of darkness blind to war? Where are the actions that do not serve? Where is the fake love that does not heal? Where is the pain that breaks worlds?

We are all one in the invocation and initiation to unveil illusions. Not for a moment believe you can impact so little for peace on earth. As each one of your sacred ethics and values is remembered and resurrected in spiritual journeys . . . We soar in re-union and protection of the beauty and innocence of humanity. We stand unshakeable. We transform war, hate and greed.”

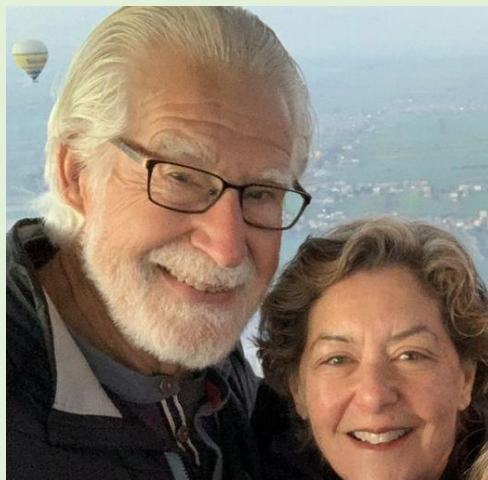

~ Tracey Ash

## Reviews of Egypt Spiritual Journey 2024 with Dr. Linda Backman & Tracey Ash

“The magic of ancient Egypt came alive under the guidance of Ash and Linda Backman—a complimentary spiritual teacher duo. The guided meditations and regressions at these sacred sites was a key component that shifted the experience from site-seeing to onsite-experiencing. I walked away not only having touched ancient human history and the unique practices and astounding creations of ancient Egyptians, a visceral part of my soul was activated and continues to help guide me in my life.” ~ Rev. Kristin Powell

“My time in Egypt proved to be a time of personal connection and recalibration. The privilege of having special access to sites coordinated by a local team allowed for a deeper experience, which I appreciated. The trip continues to influence my life with lasting gifts of greater awareness, clarity, and peace.” ~ Andrea Kennedy

“My spiritual tour to Egypt lead by Linda, Earl, and Ash was magical. I went on the trip with intentions for specific healings in areas of my life and I feel that the ceremonies, group meditations, and group connections all aligned with my intentions and created the healing that I desired. I felt my root chakra open two times after meditations near sacred sites. Consistent feelings of inner safety and security have been felt ever since. The shift in my energy and a feeling of being more grounded has stayed with me since I returned home as well. I am grateful that I felt called to go on the tour with this specific group. It was lead with love and integrity.” ~ Heather David
