

Spiritual Mentoring Community

Who are you as a Soul? Why are you here now? How can you heal your past life wounding by your attitudes and actions in life today? What is your purpose and how can you live your intentions? What is your active role to expand Humanity? Is it likely you've not had numerous Earth lives because your soul originates from a highly advanced celestial location?

If you have some or all the questions I've mentioned, I invite you to join me with a small group to explore and expand your learning about THE soul and your soul.

Spiritual Mentoring Community: Together with Dr. Linda Backman we will come together as a small group (approximately 15-20 people.) Dr. Backman will teach from her knowledge of the soul for the first 15-20 minutes of our time together. Then Linda will take individual questions from members of the group who are present. You will receive a recording of the Spiritual Mentoring Community.
