Dear Friends,

I've been led to offer a FREE video program to share what I've discovered through Soul Regression, channeling, and intuition about our current global Coronavirus Pandemic.

Together we are in the most crucial time I have ever known in my 70+ years of life.

We have already made progress in the "fight" to "flatten the curve."

We must stay strong.

I believe that a deeper understanding of these times that we're experiencing will help us all to hold fast to being together.

Some of the topics that I will share include:

- *Did humans cause Covid 19? Is Covid tied to the Climate crisis?*

- *Are there souls in the spiritual realm trying to pull Humanity off-track from resolving the pandemic?*

- *Are there incarnate souls on Earth, guided by the higher realm, who are committed to resolving the pandemic?*

- *What is YOUR role as a human and as a soul to assist Humanity at this time?*

- *Sadly, as some die from Covid was this planned at the soul level or not?*

- *What positive purposes does "social distancing" and "staying home" provide?*

AND, much more!!

I invite you to JOIN ME FOR:
