During another special FREE learning opportunity with international teacher and expert psychologist, Dr. Linda Backman, we'll explore how your soul is required to evolve by incarnating both on Earth and Interplanetary.

You will learn:

- How to recognize that you or someone close to you is likely an Interplanetary soul
- How to recognize that you or someone close to you is likely an Earth-Based soul
- How to support yourself or others who are Interplanetary souls
- How to determine your Soul Agreements and accomplish them in today's life

Dr. Linda Backman will share with you what she has learned over the course of 25 years of Soul Regression Hypnotherapy, including past lives on Earth and in Interplanetary settings. This teaching is free - however, *you must register to participate.* If you cannot attend the event on April 6, you can still listen to the archived recording afterwards.
